

AKPA-KPS Collaborations: Progress Report and Outlook

Chueng-Ryong Ji

28th President

Association of Korean Physicists in America (AKPA)

Bellevue, August 13, UKC 2010

The 28th AKPA office

KPS-AKPA Collaboration

KPS-AKPA Joint Session

2009 한국물리학회 가을학술논문발표회 및 임시총회
KPS-AKPA(한국물리학회-재미한인물리학자협회)특별세션
일시. 2009년 10월 21일(수), 17:00~18:15 장소. 604호 주최. KPS 한국물리학회 후원. 경상남도 창원시

Outstanding Young Researcher Award

AKPA Annual Meeting

AKPA Annual Meeting 2010 at Mandarin Cove in downtown Portland OR.

Association of Korean Physicists in America

AKPA Newsletter

재미 한인 물리학자 협회

Volume 28, Number 3, June 2010

1. Message from the 28th President of the AKPA 2
Chueng-Ryong Ji (North Carolina State University)
2. KPS, together with AKPA 3
YoungPak Lee (Hanyang University, President of the KPS)
3. Featured Article 1: Dirty Superfluid 5
Yoonseok Lee (University of Florida)
4. Featured Article 2: Ultrafast Terahertz Radiation Generation 7
Ki-Yong Kim (University of Maryland at College Park)
5. Flash News: The First 7 TeV Proton-Proton Collisions at LHC 11
Sung-Won Lee (Texas Tech University) and Jaehoon Yu (University of Texas at Arlington)
6. AKPA Annual Meeting held at Portland, Oregon 13
Myungkee Sung (Louisiana State University)
7. Upcoming events and meetings 16
Taek Soo Hahm (Princeton Plasma Physics Lab)

KPS-AKPA joint session during the UKC 2010

- Support for OYRA and AKPA Annual Meeting
- Participation in KPS Spring/Fall Meetings
- Reciprocal Invitation of Presentations
- Submission of Articles to AKPA Newsletter
- Paper Review and Submission (e.g. JKPS)
- Collaboration with APS (e.g. FIP, TGs, DNP,...)
- Invited Talks in APS Meetings
- Possibility of Future Meetings with NK Physicists
